Nov. 15, 2010 – Dec. 31, 2010

I would like to take a moment to remind all Medicare recipients that Medicare Open Season has begun and will last through Dec. 31, 2010.

The Medicare open enrollment season occurs each fall and gives Medicare recipients the opportunity to make sure they are getting the coverage they need, learn about changes to Medicare plans, and if necessary, switch to a different Medicare plan.

I encourage you to stay informed of this year's changes to Medicare (including lower prescription costs, wellness check-ups, and new preventive care coverage) and make sure you have the plan that is right for you.
