

I wanted to take this opportunity to remind you that Medicare's open season ends on December 7, 2011. So if you, a family member or a friend plans to change your Medicare coverage plan, make sure you do so before then. Using this time to review all of your options is recommended, even if you don't end up making any changes. Information about Medicare is available online at www.medicare.gov or by calling Medicare at 1-800-MEDICARE.
