Dear Chairman Price and Ranking Minority Member Diaz-Balart:

I am requesting \$750,000 for a Community Project Funding request. The intended recipient is Hillsborough County, Florida, located at 601 E. Kennedy Blvd, Tampa, Florida 33601. This funding will be used by Hillsborough County to help design and build a community center in Wimauma, Florida. The Wimauma Village Square will provide the citizens of Wimauma with a library, open space, and a community center at the heart of downtown Wimauma. It will be a springboard from which the long-term revitalization of the community's main street can be realized and will provide a base of operations from which the community and Hillsborough County can administer the partnerships and programs vital to the economic, social, and physical wellbeing of the people it serves.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Vern Buchanan".
